Thank you for choosing NHSI as your Orthopaedics provider. Be certain you fill out the paperwork completely before you arrive to your appointment so you will receive full and proper treatment.

A Photo Id (driver's license) and a *legible* Insurance Card are required at time of visit. If not present with you upon appointment, you will be rescheduled.

Your appointment is scheduled for:

DATE _____ **TIME** _____

Payment Policy and Policy Regarding SSN

We require that your Social Security Number be provided to our billing department before being seen by the doctor. The SSN is not needed for scheduling purposes, but we must have it recorded in the check-in paperwork or your appointment will be canceled. We apologize for any inconvenience. We will bill your insurance carrier on your behalf. All co-payments are due at the time of registration. We accept cash, check, Visa, MasterCard and Discover or you may call (800) 839-9078 to apply for Care Credit.

In Network

We are in network with Blue Cross Blue Shield, Aetna, Coventry, and various First Health plans. Due to the high variance in Coventry and First Health plans, we recommend you contact your insurance carrier to verify your benefits with our provider.

Out of Network and Self Pay

We will bill your insurance carrier on your behalf. Your benefits may differ from an in-network provider therefore we recommend you contact your insurance carrier to clarify. Because your benefits may be less, prior to seeing the doctor **we require a $250.00 deposit for any out-of-network or self pay patients**. This payment will go toward your portion of the bill; it is NOT an additional charge. Any overpayments will be reimbursed in a timely manner.

I understand that NHSI has opted out of Medicare and does not participate with Medicaid and that neither I nor NHSI will submit claims to either on my behalf.

Worker's Compensation Claims

If you choose to file a worker's compensation claim, this must be completed before you schedule an appointment with our office. Once the visit is submitted to your private insurance, we will not bill a worker's compensation carrier. If you are considering filing a worker's compensation claim, please contact us before your scheduled appointment.

Late Patients and No Call/ No Shows

Should circumstances arise that you will be **15 minutes or more,** late to your appointment, please contact our office at (800) 433-9147, so if necessary, we can reschedule your appointment. New patients that fail to give a 48-hour cancellation notification will be subject to a **$75.00 no show fee**. This allows us to schedule patients that are waiting to see the Doctor. Existing patients will be subject to a **$45.00 no show fee**.

Children

We request that you do not bring children under the age of 12. There is limited space in the exam rooms and children may cause interference with doctor/patient communication.
